

Module controller and communication cables to US/Canada/Australia

You can order BPath Energy module controller and communication cables from USA / Canada / Australia **by mail** (not in the web shop).

Shipping costs to these countries are € 125 for the module controller and € 25 for the communication cables (if not ordered with module controller). We apply 0% VAT to your invoice. However, local customs authorities may charge you import duties.

Indicate whether you would like to receive a payment link from our bank by email (payment by credit card) or a payment instruction for direct bank transfer.

Once we receive your payment, your order will be shipped to you via DHL Express and we will forward the tracking number. Delivery time approx. 5-8 days.
